

Are your people aligned to your business goals?

1. Define your business goals
2. Send the Compono Engage assessment to your organisation
3. See if your people and goals are aligned

1. Define your business goals

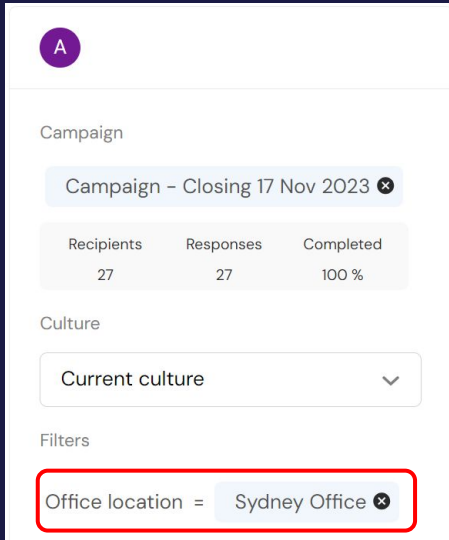

Imagine one of your goals is to grow revenue by 20% this year. And to achieve that you need your people to:

- **Drive innovation** in product and process
- Focus on **customer service and engagement**
- **Work collaboratively** as teams

2. Send the Compono Engage Assessment

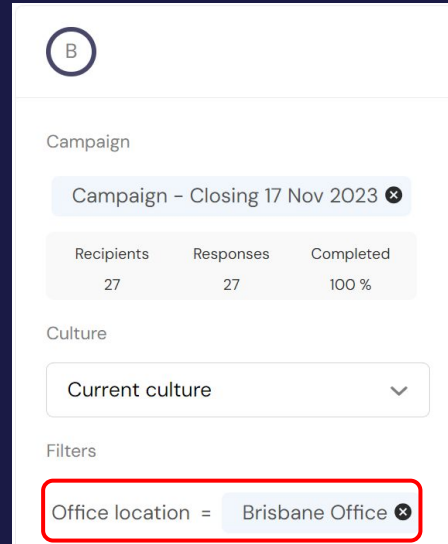

We use the **Culture Explorer** to compare the current culture by location (as an example)

Panel A shows the Culture Explorer interface with the following settings:

- Campaign:** Campaign - Closing 17 Nov 2023 ✕
- Summary Table:**

Recipients	Responses	Completed
27	27	100 %
- Culture:** Current culture ▼
- Filters:** Office location = Sydney Office ✕

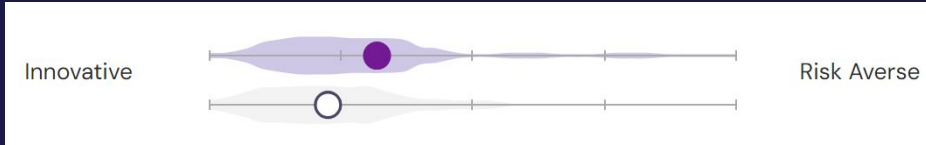

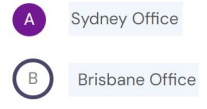

Panel B shows the Culture Explorer interface with the following settings:

- Campaign:** Campaign - Closing 17 Nov 2023 ✕
- Summary Table:**

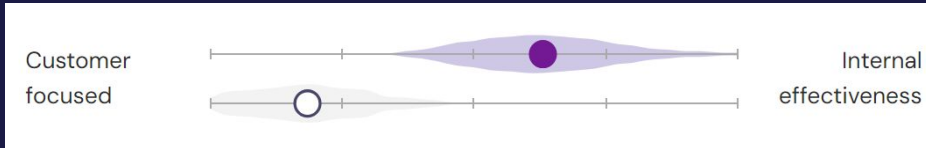

Recipients	Responses	Completed
27	27	100 %
- Culture:** Current culture ▼
- Filters:** Office location = Brisbane Office ✕

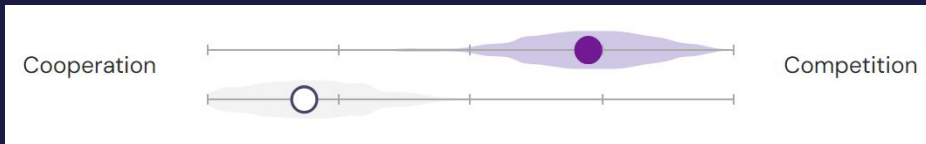

3. See if your people and goals are aligned

Drive innovation in product and process

Focus on customer service and engagement

Work collaboratively in teams
