

Compono Hire

**For Hiring Managers that care
about who they hire and how
they work.**

We believe there is no *perfect* candidate. Only the perfect candidate for **you**.

Compono Hire

Quickly create job ads that include business culture benchmarks

Automatically profile, match and rank candidates using factual and objective data points.

View and manage the optimal shortlist of talent for your culture and team, not just the job.

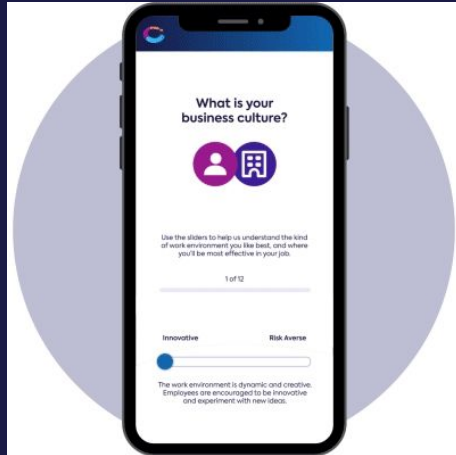

**Corporate psychology
meets hiring automation!**

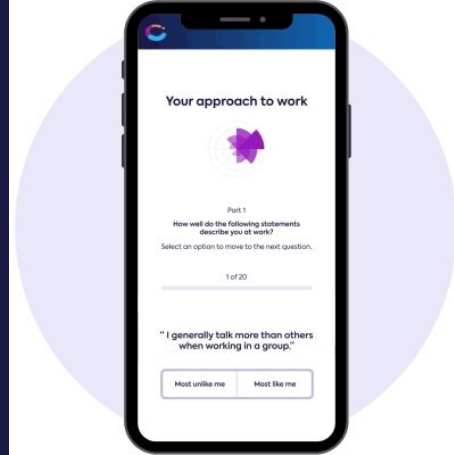

Create a Hiring Benchmark

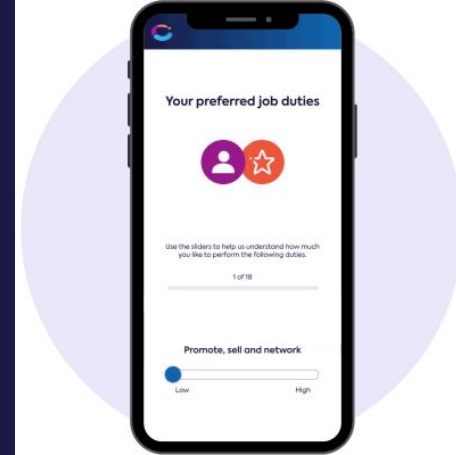

Match candidates beyond the traditional skills and qualifications
